

Completed Electrical Engineering Contracts

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
1	Secondary town, power distribution & rehabilitation project – phase II. Kalutara.	Conversion and Rehabilitation of 11kv Transmission lines in Kalutara. Drawing of High & Low Voltage Bare & Bundled Conductors.	6,820,374.10	Lanka Electricity Company (Pvt) Ltd.	Aug 1992
2	Secondary town, power distribution & rehabilitation project – phase II. Galle.	Conversion and Rehabilitation of 11kv & 33kv Transmission Lines in Galle.	5,187,620.80	Lanka Electricity Company (Pvt) Ltd.	Jan 1993
3	Construction of Foundation & Tower Erection Project. Matara, Hakmana, Deniyaya, Akuressa, Mawarala, Dikwella Weligama, Urubokka, Telijjawila & Kamburupitiya.	Soil Investigations, Construction of Tower Foundation & Erection of self-supporting Towers & Guyed Masts for the Transmission Networks.	16,840,000.00	Sri Lanka Telecom	6 Jan 1996
4	Tower design, manufacturing, installation & approval. (SEC-950411-A) Swami Rock, Nilaweli, Kanthale, China Bay, Mattur, Kinniya, Kuchaweli, Pulmudai, Siripura, Gomarankadawala, Punkulan, Tampalagama, Kiliveddi, Toppur & Seruwawila.	Supply & Installation of Towers on Turn-Key Basis. Soil Investigations, Construction of Tower Foundation & Erection of Self-supporting Towers & Guyed Masts for the Transmission Networks.	13,886,000.00	Sri Lanka Telecom	3 Jan 1996
5	Construction of exchange building & tower erection project. Ratnapura, Avissawela, Galle, Kandy, Colombo & Nittambuwa.	Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Towers & Guyed Masts for the Transmission Networks.	11,915,090.63	Sri Lanka Telecom	Oct 1996
6	Construction of 33kV Transmission Lines in Western Province North. Gampaha.	Erection of Medium Voltage & Low Voltage Distribution Lines in Medium Voltage Distribution Network. Erection of app. 20Kms of 33kv Transmission lines on Steel & Concrete Supports.	6,707,789.07	Ceylon Electricity Board	Dec 1997
7	Construction of Self Supporting Towers.	Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Transmission Networks.	1,905,255.50	M/s Lanka Bell	08 Sep 1997
8	Construction of 11kV-33kV Medium Voltage Distribution. Kadawatha.	Conversion of 40Kms of 11kV Medium Voltage Distribution Lines to 33kV Voltage Distribution Lines to 33kV Medium Voltage Distribution Lines on 11m Concrete Poles.	Payments are done on work order basis	Ceylon Electricity Board	28 July 1998
9	Construction of Microwave Antenna Tower. Maradana - Colombo.	Supply & Installation of Towers. Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Tower.	4,847,263.05	Sri Lanka Air Force	Dec 1999
10	Colombo City Electricity Project. Colombo.	Laying of High Tension, Low Tension Underground Cables.	Payments are based on Unit Rates.	Ceylon Electricity Board	Dec 2000

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
11	60MW BMPP Sri Lanka, 220kV Cable Project. Colombo Port to Kelanitissa Power Station.	Construction of Civil Work & lying of 220kV power cables and assisting for cable jointing.	42,000,000.00	Ceylon Electricity Board	6 Jan 2000
12	Lying of underground Power Cables. (LECO) Maharagama, Nugegoda, Kolonnawa, Dalugama & Wattala.	Lying of underground, 11kV & 33kV power cables jointing, termination & testing.	8,804,955.99	Lanka Electricity Company (Pvt) Ltd.	Oct 2000
13	Power Cabling and Radio access point installation at Apron Baggage reconciliation system. Katunayake.	Supply, Installation, Project Management, Commissioning & subsequent maintenance of the power distribution system for the radio access points at the apron, Airport at Katunayaka.	7,485,820.54	Sri Lankan Airlines Ltd.	Jan 2001
14	Government Project - Madiwela. (New President House) Madiwela.	Lying of 11kV underground power cable.	315,996.00	Lanka Electricity Company (Pvt) Limited	May 2001
15	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. North Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	4,027,606.85	Ceylon Electricity Board	Dec 1997
16	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. North Western Province	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	218,963.37	Ceylon Electricity Board	Dec 1998
17	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. South Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	1,121,206.92	Ceylon Electricity Board	Dec 1998
18	Rehabilitation & construction of 33kV & 11kV medium voltage. South Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	1,376,026.99	Ceylon Electricity Board	Dec 1999
19	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. North Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	703,669.97	Ceylon Electricity Board	Dec 1999
20	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. South Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	1,624,732.50	Ceylon Electricity Board	Dec 2000
21	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. North Western Province.	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	2,766,726.67	Ceylon Electricity Board	Dec 2000
22	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. Dehiwala to Kiribathgoda	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Payments are done on work order basis	Ceylon Electricity Board	Aug 2001
23	Construction of 11kV-33kV medium voltage distribution. Kadawatha	Conversion of 40Kms of 11kV to 33kV Medium Voltage Distribution Lines on 11m Concrete Poles.	Payments are done on work order basis	Ceylon Electricity Board	44127

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
24	Hambantota grid substation project. Hambantota, Embilipitiya	Construction of Grid Substation, Building construction and all mechanical & electrical works.	20,177,500.00	Ceylon Electricity Board	Sep 2001
25	Construction of 33kV lines. (Double circuit lynx conductor) All Regions	Construction of 33kV lines using 13m poles.	Payments are done on work order basis	Ceylon Electricity Board	Apr 2001
26	Leco - Kotte - special project. Meetotamulla.	Laying of 11KV power cables.	Payments are done on work order basis	Leco	Sep 2001
27	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. Koshena area 440-30/3211/MAT/01/4132	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	1,606,952.79	Ceylon Electricity Board	Dec 2001
28	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. Ambepussa camp 440-30/3211/MAT/01/4133	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	137,125.66	Ceylon Electricity Board	Dec 2001
29	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. Makkanigoda 440-30/3211/MAT/01/4134	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	745,927.43	Ceylon Electricity Board	Dec 2001
30	Transmission & substation development project 1 - ABB - Kolonnawa. Kolonnawa TSDP1 - ABB / Kolonnawa	Construction of transformer foundation.	7.5 Million	ABB Switcher	30 Mar 2002
31	Transmission & substation development Project 1 - ABB - Pannipitiya. Pannipitiya TSDP1 - ABB / Pannipitiya	Construction of transformer foundation.	7.5 Million	ABB Switcher	30 Mar 2002
32	Construction of Wind Farm on turnkey basis at kalpitiya peninsula (Preliminary works - phase 01) Kalpitiya peninsula	Preliminary survey, profile survey, carrying out site survey for turbine side road trace & building site, submission of environmental impact analysis.	2,477,325.00	N.E.G. Micon	15 Jul 2002
33	LECO Kotte project Maharagama, Kolonnawa, Pitakotte MGC 30 CCC02 KLC 30 CCC02 MGC 30 CCC02 PKC 30 CCC02	Laying of 33Kv, 11Kv cable & 11Kv UG Cable and HV Interconnector - UG cable	497,224.00	LECO	30 Aug 2002
34	Construction of foundation for 31.5 MVA (65 Ton) transformer at Wimlasurendra grid substation	Construction of a transformer foundation	1,478,593.68	CEB	26-Nov-2002

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
35	Transmission and substation development project 1 – ABB - Kolonnawa	Construction of roads, fence, foundations, cable trenches, earth works & landscaping	16,168,392.43	ABB	10-Mar-2003
36	Transmission and substation development project 1 – ABB - Pannipitiya	Construction of roads, fence, foundations, cable trenches, earth works & landscaping	7,022,148.89	ABB	10-Mar-2003
37	Construction of 132KV transmission line from Kolonnawa to Kelaniya under the transmission project - (Package C) KKSTL Kolonnawa to Kelaniya	Dismantling of existing 132kv transmission line , erection of new tower foundation and erection of towers from kolonnawa to kelaniya	30,359,905.91	C.E.B	26-Aug-2003
38	Construction of 132KV transmission line from Kelaniya to Sapugaskanda under the transmission project - (Package D) KKSTL Kelaniya to Sapugaskanda	Dismantling of existing 132kv transmission line , erection of new tower foundation and erection of towers from kelaniya to Sapugaskanda	22,404,555.00	C.E.B	26-Aug-2003
39	Pre-fabrication and installation of the caution plates for 220 KV Cable Contract No. 246-030328	Pre-fabrication and installation of the caution plates for 220 KV cable	775,000.00	Colombo Power Pvt Ltd	20-Jul-2003
40	Kukule Ganga hydro power project lot 4.2 Matugama	Construction of grid substations & electrical erection works	66,924,814.53	VA TECH HYDRO Gmbh & Co / CEB	30-Jul-2003
41	UG cable laying along the parliament road	UG cable laying along the parliament road	599,441.00	LECO	29-Oct-2003
42	Installation, project management, commissioning and subsequent maintenance of the campus copper network at Sri Lanka airlines limited, BIA Katunayake	Installation, project management, commissioning and subsequent maintenance of the campus copper network at Sri Lanka airlines limited, BIA Katunayake	6,500,000.00	Sri Lanka Air Lines	12-Aug-2003
43	Construction of 132 KV transmission line tower at Valachchenei	Construction of 132 KV transmission line tower at Valachchenei	4,552,500.00	C.E.B	28-Feb-2004
44	Construction of electricity schemes under Deepaloka Electrification Programme.	Construction of electrical distribution Lines.	Work Order Contract	C.E.B	15-Jul-2004
45	TSDP – 2 . Matara 33 kV Sub-station, Civil works and foundations	Civil works and foundations	4,662,138.34	Alstom T&D Systems Ltd	19-Jul-2004
46	Optical Fiber cable at Kelanitissa power station CMN/IND/DB/2003/01	Laying of FOC cable and termination works with material	1,278,815.00	C.E.B	10-Jul-2004
47	U.G. Cable Laying	Construction of UG cable laying	152,1540.00	LECO	15-Aug-2004
48	Grater Colombo Grid Substation Project Lot A	Construction of grid substations and electrical erection works	144,299,252.23	ABB	15-June-2006

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
49	Kerawalapitiya / Kotugoda Grid Substation Project – Lot A Kerawalapitiya - Kotugoda	Civil Construction of Grid Substation and Erection of Switchyard	187,139,540.00	CEB / Siemens Ltd.	30-05-2009
50	Electrical installation of Kerawalapitiya – Kotugoda Transmission Project LOT A	Construction of Electrical Installation for Kerawalapitiya – Kotugoda Transmission	25,000,000.00	DIMO	30-03-2009
51	Colombo City Electricity Distribution Development Project Control Center Package D	Construction of Civil works and designs and electrical and mechanical works	199,293,265.90	Siemens	30-11-2010
52	Colombo City Electrical Distribution Development Project Control Center Package D	Construction of Civil works and designs and electrical and mechanical works	199,293,265.90	CEB	28-02-2011
53	Colombo City Electricity Distribution Development Project Kalanitissa substation Package A	Construction of Civil Works and designs grid substations and electrical and mechanical works	144,299,252.23.	ABB AG	31-03-2011
54	Construction of a foundation for proposed Tower Location 199A at Malabe of existing Polpitiya – Kolonnawa 132 Kv Transmission Line	Tower foundation consisting of bored cast in – situ reinforced concrete end bearing piles at each foundation leg of TDL+12m Tower of existing Transmission Line	6,436,390	CEB	31-07-2011
55	132/33 kV Kotugoda Extension Project	Civil Works including designs and Erection Works	46,000,000.00	ABB AG	31-03-2011
56	Construction of Lynx Conductor 33Kv double circuit Tower Line from Ambalangoda Grid S/S to Magala	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	41,406,605.00	CEB	01-11-2011
57	Construction of a foundation for proposed Tower Location 199A at Malabe of existing Polpitiya – Kolonnawa 132Kv Transmission Line	Tower Foundation consisting of bored cast in-situ reinforced concrete end bearing piles at each foundation leg of TDL+12m Tower of existing Transmission Line	6,436,390.00	CEB	31-May-2011
58	Dikkowita Fishery Harbor Sri Lanka- External Services Installation	Electrical Cable, Water, Sewer Pipe laying through Buried cable trench	7,858,694.08	BAM International	25-June-2011
59	Construction of Lynx Conductor 33KV four circuit Tower line from Hambantota port to Hambantota GSS	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	39,790,743.5	CEB	30-April-2012
60	Construction of 33Kv DC double circuit tower line Hambantota GSS to new Mattala Airport	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	16,609,837.00	CEB	15 – Nov-11

	Project, Location & Contract Number	Scope of Work	Contract Value (SL Rs.)	Client	Completion Date
61	Construction of 4.5Km LYNX Conductor 33Kv D/C tower line from Ambalangoda GSS to Elpititiya gantry	Construction of 33Kv links conductors, tower foundation and tower erection.	25,893,764.00	CEB	19-Oct-12
