

Sierra Electrical Completed Contracts

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
01	Secondary town, power distribution & rehabilitation project – phase II. Kalutara.	Lanka Electricity Company (Pvt) Ltd	Conversion and Rehabilitation of 11kv Transmission lines in Kalutara. Drawing of High & Low Voltage Bare & Bundled Conductors.	Aug 1992	6,820,374.10
02	Secondary town, power distribution & rehabilitation project – phase II. Galle.	Lanka Electricity Company (Pvt) Ltd	Conversion and Rehabilitation of 11kv & 33kv Transmission Lines in Galle	Jan 1993	5,187,620.80
03	Construction of Foundation & Tower Erection Project. Matara, Hakmana, Deniyaya, Akuressa, Mawarala, Dikwella Weligama, Urubokka, Telijjawila & Kamburupitiya.	Sri Lanka Telecom	Soil Investigations, Construction of Tower Foundation & Erection of self-supporting Towers & Guyed Masts for the Transmission Networks.	6 Jan 1996	16,840,000.00
04	Tower design, manufacturing, installation & approval. (SEC-950411-A) Swami Rock, Nilaweli, Kanthale, China Bay, Mattur, Kinniya, Kuchaweli, Pulmudai, Siripura, Gomarankadawala, Punkulan, Tampalagama, Kiliveddi, Toppur & Seruwawila.	Sri Lanka Telecom	Supply & Installation of Towers on Turn-Key Basis. Soil Investigations, Construction of Tower Foundation & Erection of Self-supporting Towers & Guyed Masts for the Transmission Networks.	3 Jan 1996	13,886,000.00
05	Construction of exchange building & tower erection project. Ratnapura, Avissawela, Galle, Kandy, Colombo & Nittambuwa.	Sri Lanka Telecom	Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Towers & Guyed Masts for the Transmission Networks	Oct 1996	11,915,090.63
06	Construction of 33kV Transmission Lines in Western Province North. Gampaha.	Ceylon Electricity Board	Erection of Medium Voltage & Low Voltage Distribution Lines in Medium Voltage Distribution Network. Erection of app. 20Kms of 33kv Transmission Lines on Steel & Concrete Supports.	Dec 1997	6,707,789.07
07	Construction of Self Supporting Towers.	M/s Lanka Bell	Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Transmission Networks	08 Sep 1997	1,905,255.50

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
08	Construction of 11kV-33kV Medium Voltage Distribution. Kadawatha.	Ceylon Electricity Board	Conversion of 40Kms of 11kV Medium Voltage Distribution Lines to 33kV Voltage Distribution Lines to 33kV Medium Voltage Distribution Lines on 11m Concrete Poles.	28 July 1998	
09	Construction of Microwave Antenna Tower. Maradana - Colombo.	Sri Lanka Telecom	Supply & Installation of Towers. Soil Investigations, Construction of Tower Foundation & Erection of Self Supporting Tower.	Dec 1999	4,847,263.05
10	Colombo City Electricity Project. Colombo.	Ceylon Electricity Board	Laying of High Tension, Low Tension Underground Cables	Dec 2000	
11	60MW BMPP Sri Lanka, 220kV Cable Project. Colombo Port to Kelanitissa Power Station.	Ceylon Electricity Board	Construction of Civil Work & lying of 220kV power cables and assisting for cable jointing.	6 Jan 2000	42,000,000.00
12	Lying of underground Power Cables. (LECO) Maharagama, Nugegoda, Kolonnawa, Dalugama & Wattala	Lanka Electricity Company (Pvt) Ltd.	Lying of underground, 11kV & 33kV power cables jointing, termination & testing.	Oct 2000	8,804,955.99
13	Power Cabling and Radio access point installation at Apron Baggage reconciliation system. Katunayaka	Sri Lankan Airlines Ltd.	Supply, Installation, Project Management, Commissioning & subsequent maintenance of the power distribution system for the radio access points at the apron, Airport at Katunayaka.	Jan 2001	7,485,820.54
14	Government Project - Madiwela. (New President House) Madiwela.	Lanka Electricity Company (Pvt) Limited	Lying of 11kV underground power cable.	May 2001	315,996.00

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
15	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. North Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 1997	4,027,606.85
16	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. North Western Province	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 1998	218,963.37
17	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. South Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 1998	1,121,206.92
18	Rehabilitation & construction of 33kV& 11kV medium voltage. South Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 1999	1,376,026.99
19	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. North Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 1999	703,669.97
20	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. South Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 2000	1,624,732.50
21	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. North Western Province.	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 2000	2,766,726.67

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
22	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. Dehiwala to Kiribathgoda	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Aug 2001	Payments are based on Unit Rates
23	Construction of 11kV-33kV medium voltage distribution. Kadawatha	Ceylon Electricity Board	Conversion of 40Kms of 11kV to 33kV Medium Voltage Distribution Lines on 11m Concrete Poles.	Sep 2001	Payments are based on Unit Rates
24	Hambantota grid substation project. Hambantota, Embilipitiya	Ceylon Electricity Board	Construction of Grid Substation, Building construction and all mechanical & electrical works.	Sep 2001	20,177,500.00
25	Construction of 33kV lines. (Double circuit lynx conductor) All Regions	Ceylon Electricity Board	Construction of Grid Substation, Building construction and all mechanical & electrical works.	Sep 2001	Payments are based on Unit Rates
26	Leco - Kotte - special project. Meetotamulla.	Leco	Laying of 11KV power cables.	Sep 2001	Payments are based on Unit Rates
27	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. Koshena area	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 2001	1,606,952.79
28	Rehabilitation & construction of 33kV& 11kV medium voltage distribution network. Ambepussa camp	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 2001	137,125.66

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
29	Rehabilitation & construction of 33kV & 11kV medium voltage distribution network. Makkanigoda	Ceylon Electricity Board	Rehabilitation & construction of 3 phase / 33kV lines using 9m, 10m, 11m & 13m poles and provision of new connections.	Dec 2001	745,927.43
30	Transmission & substation development project 1 - ABB - Kolonnawa. Kolonnawa	ABB Switcher	Construction of transformer foundation.	30 Mar 2002	7.5 Million
31	Transmission & substation development Project 1 - ABB - Pannipitiya. Pannipitiya	ABB Switcher	Construction of transformer foundation.	30 Mar 2002	7.5 Million
32	Construction of Wind Farm on turnkey basis at Kalpitiya peninsula (Preliminary works - phase 01) Kalpitiya peninsula	N.E.G. Micon	Preliminary survey, profile survey, carrying out site survey for turbine side road trace & building site, submission of environmental impact analysis.	15 Jul 2002	2,477,325.00
33	LECO Kotte project Maharagama, Kolonnawa,	LECO	Laying of 33Kv, 11Kv cable & 11Kv UG Cable and HV Interconnector - UG cable	30 Aug 2002	497,224.00
34	Construction of foundation for 31.5 MVA (65 Ton) transformer at Wimlasurendra gird substation	Ceylon Electricity Board	Construction of a transformer foundation	26-Nov-2002	1,478,593.68
35	Transmission and substation development project 1 - ABB - Kolonnawa	ABB	Construction of roads, fence, foundations, cable trenches, earth works & landscaping	10-Mar-2003	16,168,392.43

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
36	Transmission and substation development project 1 – ABB - Pannipitiya	ABB	Construction of roads, fence, foundations, cable trenches, earth works & landscaping	10-Mar-2003	7,022,148.89
37	Construction of 132KV transmission line from Kolonnawa to Kelaniya under the transmission project - (Package C) KKSTL <i>Kolonnawa to Kelaniya</i>	Ceylon Electricity Board	Dismantling of existing 132kv transmission line , erection of new tower foundation and erection of towers from kolonnawa to kelaniya	26-Aug-2003	30,359,905.91
38	Construction of 132KV transmission line from Kelaniya to Sapugaskanda under the transmission project - (Package D) KKSTL <i>Kelaniya to Sapugaskanda</i>	Ceylon Electricity Board	Dismantling of existing 132kv transmission line , erection of new tower foundation and erection of towers from kelaniya to Sapugaskanda	26-Aug-2003	22,404,555.00
39	Pre-fabrication and installation of the caution plates for 220 KV Cable Contract No. 246-030328	Colombo Power Pvt Ltd	Pre-fabrication and installation of the caution plates for 220 KV cable	20-Jul-2003	775,000.00
40	Kukule Ganga hydro power project lot 4.2 Matugama	VA TECH HYDRO Gmbh & Co	Construction of grid substations & electrical erection works	30-De-2003	66,924,814.53
41	UG cable laying along the parliament road	LECO	UG cable laying along the parliament road	29-Oct-2003	599,441.00
42	Installation, project management, commissioning and subsequent maintenance of the campus copper network at Sri Lanka airlines limited, BIA Katunayake	Sri Lanka Air Lines	Installation, project management, commissioning and subsequent maintenance of the campus copper network at Sri Lanka airlines limited, BIA Katunayake	12-Aug-2003	6,500,000.00

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
43	Construction of 132 KV transmission line tower at Valachchenei	Ceylon Electricity Board	Construction of 132 KV transmission line tower at Valachchenei	28-Feb-2004	4,552,500.00
44	Construction of electricity schemes under Deepaloka Electrification Programme.	Ceylon Electricity Board	Construction of electrical distribution Lines.	15-Jul-2004	5,096,794.00
45	TSDP – 2 . Matara 33 kV Sub-station, Civil works and foundations	Alstom T&D Systems Ltd	Civil works and foundations	19-Jul-2004	4,662,138.34
46	Optical Fiber cable at Kelanitissa power station CMN/IND/DB/2003/01	Ceylon Electricity Board	Laying of FOC cable and termination works with material	10-Jul-2004	1,278,815.00
47	U.G. Cable Laying	LECO	Construction of UG cable laying	2004 Aug 15	152,154.00
48	Grater Colombo 132 KV Grid Substation Project Lot A Maradana, Havelock Town, Jayawrdanepura	Ceylon Electricity Board	Construction of grid substations and electrical erection works	2005 June	205,678,345
49	Kerawalapitiya / Kotugoda Grid Substation Project – Lot A Kerawalapitiya - Kotugoda	CEB / Siemens Ltd.	Kerawalapitiya / Kotugoda Grid Substation Project – Lot A Kerawalapitiya - Kotugoda	15-03-2010	187,139,540.00

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
50	Electrical installation of Kerawalapitiya – Kotugoda Transmission Project LOT A	DIMO	Construction of Electrical Installation for Kerawalapitiya – Kotugoda Erection Work	30-05-2010	25,000,000.00
51	Colombo City Electricity Distribution Development Project Control Center Package D	Siemens	Construction of Civil works and designs and electrical and mechanical works	30-11-2010	199,293,265.90
52	Colombo City Electricity Distribution Development Project Kalanitissa substation Package A	ABB AG	Construction of Civil Works and designs grid substations and electrical and mechanical works	31-03-2011	144,299,252.23+ EUR 218,219.34
53	132/33 kV Kotugoda Extension Project	ABB AG	Civil Works including designs and Erection Works	31-03-2011	46,000,000.00
54	Construction of Lynx Conductor 33Kv double circuit Tower Line from Ambalangoda Grid S/S to Magala	Ceylon Electricity Board	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	01-11-2011	41,406,605.00
55	Construction of a foundation for proposed Tower Location 199A at Malabe of existing Polpitiya – Kolonnawa 132Kv Transmission Line	Ceylon Electricity Board	Tower Foundation consisting of bored cast in-situ reinforced concrete end bearing piles at each foundation leg of TDL+12m Tower of existing Transmission Line	31-05-2011	6,436,390.00
56	Dikkowita Fishery Harbor Sri Lanka- External Services Installation	BAM International	Electrical Cable, Water, Sewer Pipe laying through Buried cable trench	25-June-2011	7,858,694.08

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
57	Construction of Lynx Conductoor 33KV four circuit Tower line from Hambantota port to Hambantota GSS	Ceylon Electricity Board	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	30-April-2012	39,790,743.5
58	Construction of 33Kv DC double circuit tower line Hambantota GSS to new Mattala Airport	Ceylon Electricity Board	Construction of Tower foundation, Tower erection, stringing of conductors and earth wire	27 -July-12	16,609,837.00
59	Construction of 4.5Km LYNX Conductor 33Kv D/C tower line from Ambalangoda GSS to Elpitiya gantry	Ceylon Electricity Board	Construction of 33Kv links conductors, tower foundation and tower erection.	19-Oct-12	25,893,764.00
60	Construction of 33Kv D/C line from Katugastota to Jumbughapitiya	Ceylon Electricity Board	Construction of Tower foundation and Erection of 16 Nos Towers of 33Kv D/C line	15-July-13	11,338,882.75
61	Construction of 132/33Kv Grid Substation at Maho	Siemens	Designing, civil construction of Grid Substation with erection & mechanical works and erection of switch yard.	31-Mar-2014	125,528,927.99
62	Construction of 132/33Kv Grid Substation at Naula	Siemens	Designing, civil construction of Grid Substation with erection & mechanical works and erection of switch yard	31-Mar-2014	145,666,955.21
63	Construction of 132/33Kv Grid Substation at Pallekale	Siemens	Designing, civil construction of Grid Substation with erection & mechanical works and erection of switch yard	31-Mar-2014	172,025,028.07

No.	Contract Name & Location	Client	Scope of Work	Completed Date	Contract Value (LKR)
64	Upper Kotmale Hydro Power Project Lot 04	MITSUBISHI	Civil works for the Telecommunication System	31-Jan2013	20,803,113.00
65	Construction of Foundation of 33Kv Double Circuit Tower Line from Maho GSS to Ambanpola (9.6Km)	Ceylon Electricity Board	Construction of Survey & Foundation 33kv Towers	Sept-2015	41,957,840.00
66	Construction of 230V 60 KW Hybrid Distributed Energy System in Eluvaithiu Island	Ceylon Electricity Board	Construction of Sola & Wind Tower Genertor System	15-Feb-2016	47,237,163.00
