

Completed Water Supply & Sewerage Contracts

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
01	Laying of distribution system - extension to Orr's Hill Trincomalee water supply scheme. Trincomalee.	P&D/ORR'S HILL/W/99/04	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, specials & CI valves for distribution main & construction and placing of valve chambers. PVC - 08 Km, 110mm-160mm dia.	10/14/1999	10/14/1999	6/10/2000	2,632,398.10
02	Laying of PVC distribution network in Karathivu in the integrated water supply scheme for eastern coastal towns of Ampara district. (Phase-1) Karathivu	151001/02/D N-K	National Water Supply & Drainage Board	Laying of PVC, DI pipes and specials, fixing of sluice valves, scour valves, ari valves, fire hydrants, construction & placing of valve chambers and connecting the system to the tower outlet pipe PVC- 35.5km, 63mm dia.-280mm dia.	1/18/2000	1/18/2000	11/1/2001	13,262,630.00
03	Laying of PVC distribution network in Sainthamaruthu in the integrated water supply scheme for Easton coastal towns of Ampara district. (Phase-1) Sainthamaruthu	151001/01/D N-S	National Water Supply & Drainage Board	Laying of PVC, DI pipes and specials, fixing of sluice valves, scour valves, air valves, fire hydrants, construction & placing of valve chambers and connecting the system to the tower outlet pipe. PVC- 44km, 63mm dia.-280mm dia.	1/18/2000	1/18/2000	11/1/2001	18,645,720.00
04	Construction of water treatment plant at Konduwatawana in the integrated water supply scheme for eastern coastal towns of Ampara district. (Phase-1) Konduwatawana	151001/09/TP K	National Water Supply & Drainage Board	Construction of 3.86Millios gallons/day capacity water treatment plant including sludge thickener tank, sludge drying bed, 2 celendrial ground reservoirs of 2273m3 capacity to store treated water high lift pump house, generator room, diesel storage	7/7/2000	7/7/2000	11/1/2001	62,270,887.37
05	Construction of Intake, Pump House and Access Bridge in the Integrated water supply scheme for eastern coastal towns of Ampara district. (Phase-1) Konduwatuwana	151001/08/IN T	National Water Supply & Drainage Board	Construction of Intake and pump house in Konduwatawana lake with assess bridge which is laying 105m in length. Cofferdam was constructed using sheet piles.	5/29/2000	5/29/2000	11/1/2001	20,449,455.85
06	Construction of storm water drain behind B.M.I.C.H. - Colombo.	Not.	Colombo Municipal Council	Construction of 500m long storm water drain using random rubble masonry.	12/8/2000	12/8/2000	7/12/2001	7,957,830.38
07	Laying of PVC / GI pipes & fittings for distribution system extension. Marassana water supply scheme. Marassana in Kandy district.	P&D/MARASS ANA/W/2000/ 10	National Water Supply & Drainage Board	Laying of PVC, DI, GI pipes, fittings and specials & CI valves, construction & placing of valve chambers, culvert & bridge crossings for extension of the distribution system. PVC 3.8 Km, 63mm dia. - 110mm dia.GI 1.2 Km, 80mm dia. - 100mm dia.	12/6/2000	12/6/2000	5/4/2001	1,818,054.30
08	Laying of DI pipes, fittings, specials & CI valves for part of the clear water pumping main from Baddegama to Ambalangoda - Ambalangoda Water supply scheme.	P&D/AMBALA NGODA(AUG) /W/99/04	National Water Supply & Drainage Board	Laying & jointing of DI pipes, fittings, specials & CI valves for pumping main, construction & placing of valve chambers, culvert crossings, pressure testing, and connecting to the system. DI 4 km, 500mm dia.	10/30/2000	10/30/2000	7/15/2001	7,302,544.00

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
09	Construction of 450m3 capacity water tower - Imbulgasdeniya water supply scheme. Imbulgasdeniya	T&C/RSS-C/IMBULGASDENIYA/00/04	National Water Supply & Drainage Board	Construction of 450 cu.m. Capacity, 26m height water tower including all the electrical installations, supplying and fixing of DI pipes and fittings.	8/4/2000	8/4/2000	3/8/2001	7,143,010.67
10	Construction of treatment plant - Tissamaharama water supply scheme. (Augmentation) Tissamaharama	P&D/TISSAMAHARAMA/W/9 9/01	National Water Supply & Drainage Board	Construction of water treatment plant consists of multiple tray aerator, rapid sand filters, 225 cu.m capacity ground reservoir, low lift & high lift pump houses, supplying & fixing of DI pipes & fittings, all the electrical installations	7/27/2000	7/27/2000	3/26/2001	18,400,609.50
11	Laying of distribution mains - Trincomalee water supply scheme extension to China Bay. China Bay.	P&D/CHINABAY/W/99/03	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, specials & CI valves for distribution main, construction & placing of valve chambers, removing pumping main tapings and connecting these tapings to the distribution	8/21/2001	8/21/2001	5/21/2001	5,245,768.20
12	Laying of DI pipes, fittings & CI valves for Weragoda gravity main at Kolonnawa water supply scheme. Kolonnawa.	P&D/KOLONNAWA/W/99/0 2	National Water Supply & Drainage Board	Laying & jointing of DI Pipes, fittings specials & CI valves, construction & placing of valve chambers for DI gravity main from Kolonnawa tower to Weragoda tower., DI 2.6 Km, 350mm dia	8/4/2000	8/4/2000	5/3/2001	4,338,701.35
13	Improvement to storm water drainage at Balangoda	4121-4	Urban Development & Low Income Housing Project.	Construction of drain approx., Length of 7100 m and 25 culverts in main roads & by roads of abalangoda town Area.	8/27/2002	8/27/2002	9/30/2004	37,353,694.25
14	Construction of 900m3 capacity ground reservoir at Pelmadulla water supply scheme. Pelmadulla.	P&D/PELMADULLA/W/99/0 1	National Water Supply & Drainage Board	Construction of 900m3 capacity ground water reservoirs and fixing of DI pipes and fittings and all the Electrical works.	6/30/1999	6/30/1999	7/12/2002	5,437,752.74
15	Laying of 450mm Dia. treated water main above ground section from Nainakadu Mosque Junction to booster pumping station in Nintavur in the integrated water supply scheme for eastern coastal towns of Ampara	Nintavur1510 01/13/TWM- AG	National Water Supply & Drainage Board	Laying of DI pipes, fittings & specials on approx.1600 RCC columns which are maximum of 6m height, fixing of sluice valves,scour valves,air valves,fire hydrants, construction & placing of valve chambers and connecting to the system. DI 8.6 Km, 450mm dia.	12/14/2000	12/14/2000	11/1/2001	42,028,509.62
16	Construction of storm water drain at Sri Wickrama Mawatha - Mattakkuliya. Mattakkuliya - Colombo.	ME/ME/DN/1 1/99	Colombo Municipal Council	Construction of 500m long storm water drain.	8/4/1999	8/4/1999	3/12/1999	2,902,198.00
17	Laying of sewer collection system for service area at Koggala EPZ. Koggala EPZ.	BOI/TS/KGEPZ /96/9	Board of Investment of Sri Lanka	Laying of 250mm dia Sewer pipes and construction of sewer manholes and road side rain water drain.	11/7/1996	11/7/1996	7/3/1997	2,997,922.50
18	Construction of water supply system to the Boossa Navy training camp. - Galle.	SB/179/G/73/ 90	Navy Sri Lanka	Construction of overhead tank, sump, pump house, 3 nos. 3 phase pumping, underground PVC main for entire scheme.	3/1/1991	3/1/1991	3/1/1992	2,884,914.45

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
19	Construction of sewerage disposal system to the Boossa Navy Training camp. Boossa - Galle.	SB/179/G/58/ 90	Navy Sri Lanka	Construction of pumping and installation of pumps, construction of maturation pond sand laying of sewer lines and MH in 25 acres training base.	3/1/1991	3/1/1991	3/1/1992	4,566,123.65
20	Supply and laying of balancing main and distribution main, construction of 225m3 water tower and caretakers quarters at Thuraineelavanai WSS in Batticaloa District.	NEERP/THU/ WSS/04	North East Provincial Council	Supply and laying of balancing main and distribution main, construction of 225m3 water tower and caretakers quarters at Thuraineelavanai WSS in Batticaloa District.	7/29/2004	7/29/2004	3/19/2005	47,522,259.98
21	Laying of DI/uPVC pipes, specials for distribution systems of town north, west and east anuradhapura group town water supply scheme. ADB assisted third water supply & sanitation - Anuradapura	ADB3/01/ANU /D/P&D/W/20 01/21	National Water Supply & Drainage Board	Laying of DI/PVC pipes, specials for distribution systems of town north, west and east Anuradhapura group town water supply scheme. ADB assisted third water supply & sanitation (Sector) Project.	1/6/2004	1/6/2004	10/20/2004	55,046,470.00
22	Reconstruction of water treatment plant, relaying of pumping main and distribution system at Kilinochchi.	NEERP/KILI/W SS/01	North East Provincial Council	Reconstruction of water treatment plant, relaying of pumping main and distribution system at Kilinochchi.	1/6/2004	1/6/2004	9/20/2004	92,031,123.04
23	Construction of 1000M3 Elevated tower for Thampalakamam water supply scheme - Thampalakaman	P&D/THAMPA LAKAMAM/W /2003/02	National Water Supply & Drainage Board	Construction of 1000M3 Elevated tower for Thampalakamam	11/13/2003	11/13/2003	1/29/2004	25,252,949.00
24	Anuradhapura New Town Water Supply Scheme - Civil Contract - Anuradapura	Not.	Ondeo Degremont - Sri Lanka	Construction of raw water intake & Pump station Laying of new raw water main & all other external works including access road to treatment Plant Construction of treatment plant including aerator, pulsator, filters, water reservoir, pumping station, chemical; building, chlorinator building, lime saturator, sludge thickener & guard house. External Works including laying of treated water main within the premises, lagoons& electrical works	12/2/2002	12/2/2002	2/28/2005	168,024,450.00
25	Grater Galle water supply project — Transmission Main - Galle	Not.	Kolon — Samsung Consortium	600mm dia Di pipes from intake to treatment plant, 800mm dia Di pipes from water treatment plant to Hapugala, 400mm dia Di pipes from treatment plant to mahagoda and 600mm Di pipes from Hapugoda to koulhena. Total length approx. 18km including valve fixing with manholes.	11/4/2002	10/25/2002	2/2/2005	56,926,491.60
26	Laying of pipes / fittings and construction of sumps / manholes - Hikkaduwa coastal zone sewerage project Hikkaduwa	P&D/HPS/SE W/2002/02	National Water Supply & Drainage Board	Laying of pipes / fittings and construction of sumps / manholes	4/28/2002	4/28/2002	1/31/2005	62,948,244.79

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
27	Laying of PVC distribution Network in Mawadipalli in the Integrated water supply supply scheme for eastern coastal towns of Ampara district. (Phase-1) Mawadipalli.	151001/05/D N-M	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, PVC & DI specials & CI valves for distribution main, construction of valve chambers for pumping main & the main distribution network. PVC - 5.9km, 63mm dia.- 110mm dia	3/23/2000	3/23/2000	10/22/2000	1,605,200.00
28	Laying of PVC, DI, GI pipes, fittings and specials at Kirindiwela water supply scheme. Kirindiwela.	P&D/KIRINDI WELA/W/99/0 6	National Water Supply & Drainage Board	Laying of PVC, DI, GI, pipes fittings & specials for pumping mains (raw water and treated water) and distribution network. PVC - 27 Km, 63mm dia. - 225mm dia.	8/16/1999	8/16/1999	3/31/2001	4,668,183.00
29	Siribopura W.S.S - Hambantota	Not.	National Water Supply & Drainage Board	Construction of 1000 M3 capacity water tower, pump house , construction of new pump house to power supply and preliminaries	10/8/2005	10/24/2005	6/5/2006	39,867,749.10
30	Supplying and Laying of Distribution Mains (Stage II) — Kantale Water Supply Scheme - Kantale	SIRUP/P&D/K nantale/W/200 3/03	National Water Supply & Drainage Board	Supplying and Laying of Distribution Mains	9/21/2004	9/21/2004	5/31/2006	32,414,309.10
31	Construction of Aluthgoda ground reservoir and inline booster pumps house at Marakolliya, Ranna water supply scheme (Augmentation) (Ranna WSS Package II)	ADB3/02/RAN /02/C/P/P&D/ W/2004/09	National Water Supply & Drainage Board	Construction of Aluthgoda ground reservoir and inline booster pumps house at Marakolliya.	9/1/2004	9/1/2004	1/4/2007	9,955,233.73
32	Civil works — construction of intake, Treatment plant, two elevated water tanks, storage reservoir and quarters Kakkapalliya water supply scheme Puttlam	ADB3/02/Kaka /C/P&D/W/20 02/06	National Water Supply & Drainage Board	Construction of intake, Treatment plant, two elevated water tanks, storage reservoir and quarters	12/1/2003	12/15/2003	8/31/2006	102,272,742.09
33	Construction of an intake and treatment plant at kattakaduwa ground reservoir tower and pump house at Kadiragoda and Wadigala, Ranna water supply scheme.	ADB3/02/RAN /02/C/P&D/W /2003/06	National Water Supply & Drainage Board	Construction of an intake and treatment plant at kattakaduwa ground reservoir tower and pump house at Kadiragoda and treatment plant Wadigala, Ranna	10/10/2003	11/1/2003	10/17/2006	154,211,708.93
34	Laying of PVC, DI, GI pipes, fittings, specials & CI valves - Nittambuwa Veyangoda W.S.S. Nittambuwa.	P&D/NITTAM BUWA - VEYANGODA/ W/99/06	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, specials, CI valves and construction & placing of valve chambers for pumping mains and PVC-22.8Km, 63mm dia.-225mm dia. distribution system DI-2.4km, 250mm dia.	3/31/2000	3/31/2000	2/28/2001	6,086,519.50
35	Laying of ductile Iron treated water main from treatment plant to the water towers in the water supply scheme for eastern coastal towns of Ampara district (Olivil, Karativu, Sainthamaruthu, Mawadipalli)	151001/06/DI -TW	National Water Supply & Drainage Board	Laying of DI pipes and specials, fixing of sluice valves, scour valves, ari valves, fire hydrants, construction & placing of valve chambers and connecting to the system. Tower DI-14.7km, 150mm dia.- 400mm dia.	3/27/2000	3/27/2000	11/1/2001	28,034,278.00

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
36	Construction of gabion retaining wall at Attanagalu Oya intake at Kalagedihena.	P&D/NITTAM BUWA - VEYANGODA/W/99/07	National Water Supply & Drainage Board	Design Construction of suitable slope protection gabion structure and modifications in order to protect the river bank.150m long & 5m height.	12/23/1999	12/23/1999	10/17/2000	6,482,094.50
37	Laying of 450mm dia. clear water transmission main from Konduwatuwana treatment plant to Nainakadu mosque junction in the integrated water supply scheme for eastern coastal towns of Ampara	I51001/10/T WM	National Water Supply & Drainage Board	Laying of DI pipes and specials, fixing of sluice valves, scour valves, air valves, fire hydrants construction & placing of valve chambers, and connecting to the system. DI 18.4 km, 450mm dia.	9/7/2000	9/7/2000	11/1/2001	39,210,858.00
38	Laying of distribution system - Trincomalee water supply scheme extension to Thampalakamam. Trincomalee.	P&D/THAMPA LAKAMAM /W/99/03	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, specials & CI valves for distribution main, removing & re-connecting pumping main tapings to the distribution main & construction and placing of valve chambers. PVC - 15 Km, 160mm-280mm dia.	7/19/1999	7/19/1999	8/15/2000	3,863,259.00
39	Laying of PVC / DI pipes, fittings and specials Nivithigala water supply scheme. Nivithigala	P & D /NIVITHIGALA / W/2000/02	National Water Supply & Drainage Board	Laying & jointing of PVC, DI, GI pipes, fittings, specials & CI valves for distribution system, & the transmission main, construction & placing of valve chambers and connecting to the system. 56	Dikwella Water Tower Project -	WatSan/001 – VI / MAT 02 / CEY / AMRC / 0507	Sri Lanka Red Cross Society	On struction of 450m3 capacity Elevated Water Tower at Arahena, Dickwella including installation of Internal pipe work, Testing and Commissioning - Matara District	10/18/2007	11/1/2007	10/31/2008	37,408,701.00
57	Dikwella, Arahena.							
	K.F.W. Water Project P&D/ANK/KfW/2001/01 Koggala, Ampara, Nawalapitiya							
58	Thirukkovil Water Suplly Scheme - Thirukkovil	SL01/47725/0 201-C05/01	UNOPS	Construction of Intake, Pumping Station, Water treatment plant, Storage & Service Reservoirs, Ancillary buildings & laying of pipes, and Supply of materials consists of pipes valves, Fittings, Electromechanical Equipment and Treatment	5/11/2007	5/18/2007	5/31/2009	988,556,583.85
59	Hambantota Water Supply Project - Hambantota, Bolana, Ekkassa, Mirijjawila, Bellagaswewa	PW&ET/UWS/PC2/HAM/ICB	National Water Supply & Drainage Board	Supply & Laying Distribution Pipe line and Construction of Elevated Towers	5/7/2008	5/7/2008	12/31/2010	1,036,487,304.23
60	Godakawela Tratment Plant - Godakawela	AGM/SAB/GOD/S IRUP/2004/04	National Water Supply & Drainage Board	Construction of treatment plant Godakawela water supply scheme	11/1/2005	2/11/2007	12/30/2009	81,057,104.00
61	Muttur Water Supply Project - Muttur	PW&ET/UWS/PE3/MUT/ICB	National Water Supply & Drainage Board	Supply and Laying of Treated Water Pumping Main Distribution Pipes and Construction and Completion of Elevated Water Towers in Mutter.	11/14/2007	1/4/2008	9/30/2011	914,182,734.50
62	Kalutara TM - 1	W- S/C/KAL/2011 /01	National Water Supply & Drainage Board	Laying of 600mm Dia DI Pipes, Fittings, Specials, DI/CI Valves and Accessories for Transmission Main from Central Junction to Maggona - Section of Stage I	11/14/2011	11/28/2011	4/5/2012	42,736,595.00
63	Construction of Ja-Ela, Ekala & Kandana Water Supply Schemes - Stage II (C - 1)	WSDP/TNC/C1	National Water Supply & Drainage Board	Construction of Ja-Ela , Ekala and Kandana Water Supply Schemes - Towns North of Colombo Water Supply Project Stage II	10/26/2009	11/25/2009	3/31/2012	2,022,913,952.97
64	Construction of Mahara & Biyagama Water Supply Schemes - Stage II (C - 2)	WSDP/TNC/C2	National Water Supply & Drainage Board	Construction of Mahara and Biyagama Water Supply Schemes - Towns North of Colombo Water Supply Project Stage II	10/26/2009	11/25/2009	03/31/2013	2,194,765,092.47

	Contract Name & Location	Contract No.	Client	Scope of Work	Awarded Date	Start Date	Completed Date	Contract Value (Rs.)
65	Supply & Laying of DI Transmission Mains and Secondary Mains of Dia. From 1000mm to 400mm from Bandaragama to Piliyandala & in Surrounding Areas	WSDP/KGWSP-P1 S2/ICB-02/SUB	NCC Limited India	Supply and laying of DI 1000mm Dia – 10.9 km and DI 800mm Dia – 3.6km, Transmission main from Bandaragama to Piliyandala	12/24/2009	01/22/2010	03/31/2014	2,161,138,597.65
66	Supply and Laying of HDPE pipes for transmission main and distribution system in Chilaw WSS stage I	PIPES/C/08A	National Water Supply & Drainage Board	Supply and Laying of HDPE Pipes (315-355mm)= 3.745km, Supply and Laying of uPVC Pipes (90-225mm) = 4.86km in distribution mains and Supply & Installation of Valves and Road reinstatement work more than 6km	08/26/2012	12/02/2012	06/06/2014	105,869,198.40
67	Supply & Laying of DI HDPE & PVC pipe specials and fitting and for transmission main and distribution system in Chilaw WSS Stage II	PIPES/C/08B	National Water Supply & Drainage Board	Supply and Laying of HDPE pipes (355-500mm) = 25.272km, Supply and Laying of uPVC pipes (63-90mm) = 26.012km transmission and distribution mains and Supply & Installation of Valves and Road reinstatement work more than 40kms	10/30/2012	11/20/2012	09/22/2014	701,948,305.90
68	Design, Construction & Completion of Head Works, Raw Water Transmission Main and Treatment Plant in Muttur (Plant & Design Build)	HW&T/UWS/P A2/MUT/ICB-(R)	National Water Supply & Drainage Board	Design and Construction of 40,000 cum/day Intake, Pumping Station, Water treatment plant – 8500 cum/day with high lifting pumping station, Storage & Service water tank, Supply & installation of Electromechanical Equipment and Treatment Plant Items and Ancillary buildings & laying of yard pipes and Supply & Laying of Raw Water Main – 9.8 km of 400mm dia PE & DI Pipes, Supply and Laying of Treated Water Pumping Main	12/07/2011	12/22/2011	11/28/2014	1,761,246,173.00
69	Construction of Water Storage Structures in Mannar	STRU / M / 12	National Water Supply & Drainage Board	Construction of Water Storage Structures in Mannar Contract No: STRU / M / 12	09/10/2013	18/12/2013	09/10/2016	860,444,118.40
